VILLA WOLF 2015 Pinot Blanc

VILLA WOLF VARIETAL WINES

The Villa Wolf varietal line-up includes exceptionally affordable, classic Pfalz wines made from traditional varieties. These value-priced wines combine Villa Wolf estate-grown fruit with grapes from contracted growers.

THE PFALZ REGION

The Pfalz (aka 'Palatinate') region is in the Rhine river valley in southwest Germany, directly north of France's Alsace region. The low-lying Haardt mountains protect the area from cold, wet Atlantic weather, making it one of the warmer and drier areas of Germany. Wine grapes do quite well here where it is possible to achieve full ripeness in every vintage. The predominant soil type in this area is well-drained, weathered sandstone. It produces wines with a fruit-driven purity and a stony structure.

ABOUT THE WINEMAKERS

Patrick Mollendorf and Sumi Gebauer met while working in the cellar at Dr. Loosen. Together they now manage the entire winemaking process at Villa Wolf, from vine to cellar. They share Ernst Loosen's philosophy that great wines are created on the vine, so they employ sustainable practices to foster a balanced environment in the vineyards.

THE 2015 VINTAGE

After a dry winter and a very hot summer, the vines had been a bit stressed, but in a positive way, producing grapes that were small and very aromatic. We harvested perfectly ripe grapes in a record-breaking pace, finishing at the end of September.
