## VILLA WOLF 2016 Sauvignon Blanc

### VILLA WOLF VARIETAL WINES

The Villa Wolf varietal line-up includes exceptionally affordable, classic Pfalz wines made from traditional varieties. These value-priced wines combine Villa Wolf estate-grown fruit with grapes from contracted growers throughout the region.

### THE PFALZ REGION

The Pfalz (aka 'Palatinate') region is in the Rhine river valley in southwest Germany, directly north of France's Alsace region. The low-lying Haardt mountains protect the area from cold, wet Atlantic weather, making it one of the warmer and drier areas of Germany. Wine grapes do quite well here where it is possible to achieve full ripeness in every vintage. The predominant soil type in this area is well-drained, weathered sandstone. It produces wines with a fruit-driven purity and a stony structure.

### VILLA WOLF SAUVIGNON BLANC

As with all of the Villa Wolf varietal wines, the Sauvignon Blanc is produced from fruit that has reached optimum ripeness, but is not over ripe. And only clean, healthy fruit (no botrytis) is allowed. The sandy loam soils of the Pfalz region produces fruit with excellent purity and varietal expression, resulting in wines that are fresh and juicy, with aromatic character and a crisp backbone of acidity.

### ABOUT THE WINEMAKERS

Patrick Mollendorf and Sumi Gebauer met while working in the cellar at Dr. Loosen. Together they now manage the entire winemaking process at Villa Wolf, from vine to cellar. They share Ernst Loosen's philosophy that great wines are created on the vine, so they employ organic growing practices to foster a balanced environment in the vineyards.

**[89] *Wine Enthusiast* — BEST BUY**

"Crisp peach and tangerine tones are thirst quenching in this easygoing Sauvignon Blanc. While not a deeply complex or concentrated wine, it's nuanced by hints of grass and spice. The finish is brisk but clean." *February 2018*
